

2009 Spirit Scholarship Essay Topic

While a member of the Starr's Mill High School Band program, you spent many hours polishing your musical skills and working cooperatively with your fellow musicians to perform as a musical ensemble. Whether it was on the concert stage or on the marching field, you were learning, maturing and sharing your talents.

The Band Spirit Scholarship Committee wants to hear your reflections on your time in the band or guard and how your experiences have shaped you. What will you take away from your years in the Starr's Mill Band that will remain with you throughout your life? Was there a proud moment when you felt like you made a unique contribution to the success of the band as a whole? What were some of your most meaningful achievements of your band years and how will they affect your future goals?

You've always been a shining "Starr"; let your band spirit shine! Best wishes for success and a bright and happy future.
